

CEMENTING YOUR FUTURE AND THE FUTURE OF SYRIA

AL BADIA CEMENT IS NOW RECRUITING

Al Badia Cement, a joint-stock company established by renowned international groups and local investors is currently recruiting highly skilled and talented individuals for its new cement plant in Abu Al Shammat area of Syria (80 km northeast of Damascus) and for its Damascus headquarters.

Vacancies are for both Technical and Administrative positions.

Who we are

- Founded by AL MUHAIDIB Group, Saudi Arabia
- Co-founded by the Italcementi Group (of Italy), the world's fifth largest cement producer
- Greenfield cement plant with two production lines
- 3.2 million tons/annum of Ordinary Portland Cement
- Construction already started and to be completed at the end of 2010 for the 1st Line

We offer

- A great career to ambitious candidates with appetite for learning
- A unique training program with the latest technology and managerial standards
- Competitive remunerations

We seek

- Experienced personnel as well as fresh graduates
- Candidates with proficiency in English and strong computer skills
- Self motivated and highly responsible individuals

"We are committed to helping our employees achieve our company's goals while realizing their own potential and self-actualization."
